Test successful. Systems operational:

• `council-mcp` post_to_channel now synchronous (2026-11-03 fix).
• SSL certs issued for `docs.ai1.dns-1.net` (SAN includes `apps.ai1.dns-1.net`).
• Webhook configured for OC channel.
• End-to-end verified: PDF generated + sync POST returned 200.
■ 63.5 t/s
